分享感言 (頁一)	<p>Jane Eyre by Charlotte Bronte is one of the best books I have ever read. Jane' s story begins as an orphan who is abused and mistreated by her aunt. This develops the young Jane into a strong-willed woman. She soon becomes the governess at an estate for a mysterious master, Mr. Rochester, and gains the friendship and eventual love in him in the end. In this novel, we get to recognize the conflicts between love and independence, passion, and the struggle of a young girl and woman to maintain her self-esteem. This story is presented through the eyes of its protagonist. The descriptions of Jane' s emotions are so wonderfully well-developed that you can even feel them in your own skin.</p> <p>So, to everyone who is looking for something inspiring</p>

and life-changing to read, do not search anymore: Here it is!

One meaningful quote from the book:

“Do you think I am an automaton? - a machine without feelings? and can bear to have my morsel of bread snatched from my lips, and my drop of living water dashed from my cup? Do you think, because I am poor, obscure, plain, and little, I am soulless and heartless? You think wrong! - I have as much soul as you, - and full as much heart! And if God had gifted me with some beauty and much wealth, I should have made it as hard for you to leave me, as it is now for me to leave you. I am not talking to you now through the medium of custom, conventionalities, nor even of mortal flesh; - it is my spirit that addresses your spirit; just as if both had passed through the grave, and we stood at God's feet, equal, - as we are!” - Jane Eyre
